Dear Madam Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed manufacturing license agreement for the export of defense articles, including technical data, and defense services in the amount of \$100,000,000 or more.

The transaction contained in the attached certification involves the export of defense articles, including technical data, and defense services for the manufacture and overhaul of hydraulic steering systems for X300 transmissions of ground vehicles in the United Kingdom.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Richard R. Verma
Assistant Secretary
Legislative Affairs

DEPARTMENT OF STATE
TRANSMITTAL NO. DDTC 056-09
CERTIFICATION OF PROPOSED ISSUANCE OF AN EXPORT
LICENSE PURSUANT TO SECTION 36(c)
OF THE ARMS EXPORT CONTROL ACT

(1) Foreign Country or International Organization to Which Export Will Be Made:
United Kingdom

(2) Dollar Value of the Items to Be Exported:

(a) Current license application: \$277,100,000

(b) Total contract: Initial Notification

(3) Description of the Items:

(a) Eaton Corporation proposes to amend an ongoing manufacturing license agreement with David Brown Hydraulic Systems Limited of the United Kingdom for the transfer of defense articles, to include technical data and defense services, for the manufacture and overhaul of X300 transmissions for ground vehicles. This amendment seeks to conform the program to current legal and administrative requirements.

(b) Total Scope: This is an initial notification as there is no record of any prior notification, although the manufacturing license agreement was initially approved in 1998. There is no new value associated with the current amendment.

(4) Offset Arrangement: There are no offsets associated with this agreement.
